Briefing for Peter Grevatt CA AE background and petition\_010815(R9).docx

Hi Jane,

OGWDW staff were preparing to brief Peter G tomorrow on the Hathaway petition and status of CA AE issues, but decided to cancel his briefing in light of the Clean Water Action papers released yesterday. They had prepared a briefing paper for Peter and sent us a copy late last night (before the decision to postpone Peter's briefing). I sent comments on the briefing paper this morning as they had gotten some of the CA stuff not quite right.

I told folks there that you could give Peter the latest when you see him next week in Atlanta.

Just wanted to keep you in the loop. Also, I am attaching the briefing paper OGWDW staff put together, with my comments embedded.

David
